

Lite Strategy to Present at the 28th Annual H.C. Wainwright Global Investment Conference in New York

September 10, 2026

SAN DIEGO, Sept. 10, 2026 (GLOBE NEWSWIRE) -- Lite Strategy, Inc. (Nasdaq: LITS) ("Lite Strategy" or the "Company"), the first U.S. public company to adopt Litecoin (LTC) as its primary treasury reserve asset, today announced that members of the Company's leadership team will present and host one-on-one investor meetings at the 28th Annual H.C. Wainwright Global Investment Conference on September 14-16th, 2026 at the Lotte New York Palace Hotel in New York City.

"As the first U.S. publicly traded company to adopt Litecoin as our primary treasury reserve asset, we are executing a differentiated capital markets strategy built on active management, yield generation, and disciplined shareholder value creation. The H.C. Wainwright Global Investment Conference provides an important platform to articulate that vision, and we look forward to engaging with institutional investors on the momentum we are building at Lite Strategy," said Jay File, Chief Executive Officer and Chief Financial Officer, Lite Strategy, Inc.

Investors interested in scheduling a meeting with the Lite Strategy's management team should contact their H.C. Wainwright representative or email meetings@hcwco.com

About Lite Strategy, Inc.

Lite Strategy, Inc. (Nasdaq: LITS) is the first U.S. publicly traded company to adopt Litecoin (LTC) as its primary treasury reserve asset. The Company employs an active treasury management strategy including a covered call options program to generate yield on its LTC holdings and create lasting shareholder value. Lite Strategy offers investors regulated, transparent, and actively managed exposure to LTC that no ETF or passive vehicle can replicate. The Company also retains a portfolio of pharmaceutical assets, providing unique strategic optionality independent of digital asset treasury. For more information, visit www.litestategy.com.
